The key words and terms that we use in this document

- **Accessories** – parts added to your vehicle that do not affect its performance
- **Agreed value** – the amount which represents the insured value of your vehicle. If your vehicle is stolen and not recovered or is a total loss, we agree to pay you the agreed value and not the market value of the vehicle. If your insurance has been accepted on an agreed value, it will be indicated on your policy schedule. If we ask you to, you must give us a valuation certificate either from your driver's club or an independent specialist.

Note: Please ensure the value shown on the schedule is reviewed annually as this may affect the amount paid in the event of a claim.

- **Approved repairer** – a motor vehicle repairer which is a member of our approved repairer network and is authorised by us to repair the insured vehicle after a valid claim under Section 2 of this insurance
- **Certificate of motor insurance** – a document which is legal evidence of your insurance and which forms part of this document, and which you must read with this document
- **Courtesy car** – a Group B (small standard private car) or PV1 (small car-derived van or similar) vehicle loaned to you by our approved repairer whilst the insured vehicle is being repaired after a valid claim under Section 2 of this insurance

- **Electric vehicle** – A vehicle which uses one or more electric motors for propulsion; or a hybrid motor vehicle using a combination of electric motors and an internal combustion engine
- **Endorsement** – a change in the terms of the insurance which replaces the standard insurance wording, and is printed on, or issued with, the current schedule and current schedule of endorsements
- **ERS** – is made up of the Lloyd's underwriters who have insured you under this contract. Each underwriter is only legally responsible for their own share of the risk and not for any other's share. You can ask us for the names of the underwriters and the share of the risk each has taken on
- **Excess** – a contribution by you towards a claim under this insurance
- **Inflatable Storage** – An inflatable storage device is a protective cover for your vehicle which is inflated by battery or mains power
- **Market value** – the cost of replacing your vehicle with another one of the same make, model and specification and of similar age, mileage and condition at the time of an accident or loss

Note: Please ensure the value shown on the schedule is reviewed annually as this may affect the amount paid in the event of a claim.

- **Period of insurance** – the period of time covered by this insurance (as shown on the schedule) and any further period for which we accept your premium
- **Road** – any place which is a road for the purpose of any compulsory motor insurance law that operates in the United Kingdom

- **Trailer** – a trailer, semi-trailer or container used for carrying goods but which cannot be driven itself
- **United Kingdom** – England, Scotland, Wales, Northern Ireland, the Isle of Man and the Channel Islands

What to do if you need to make a claim

Nobody likes having to make a claim. But by following these two simple steps you can make sure it goes smoothly:

- Tell us about the claim as soon as you can (If applicable, please call us from the scene of the accident if it’s safe to do so)

- We’re open 24 hours a day, 365 days a year. Our expert staff will take down the details and help you get back on the road as soon as possible
- If your claim is due to theft, attempted theft, malicious damage or vandalism, you must also notify the Police and obtain a crime reference number

Repairing your vehicle

If your insurance covers damage to your vehicle, we can talk you through the options for getting it repaired.

We’ll take care of everything:

- If your vehicle can’t be driven, we will arrange for roadside recovery
- We’ll collect the vehicle from you and deliver it back to you after the repairs
- Repairs will be carried out by a garage in our approved repairer network, provided that’s the best option for you
- An expert claim handler will manage your claim for you

We want to get you back on the road as soon as possible.

Keeping your vehicle safe

Please make sure your vehicle is locked and the keys are in a safe place.

Your insurance won't cover loss of your vehicle or its contents by theft or attempted theft, or if it's been taken by an unauthorised person if:

- It was left unlocked or
- It was left with the keys (or any form of keyless entry / ignition control device), in or on it or
- Reasonable precautions were not taken to protect it

If someone makes a claim against you

There are a few simple steps you can take to try to reduce the amount of any claim against you and to protect yourself against fraudulent claims.

Don't apologise or admit it was your fault

Make sure to take the other person's details including:

- Their name, address and contact number
- The registration number and make and model of their vehicle
- Their insurer's name and policy number

Take photos of:

- Any damage to their vehicle
- Any damage to your own vehicle
- The scene of the accident, as long as it's safe to do so

Make a note of:

- Any injuries to anyone involved
- The number of passengers in the other vehicle
- The name, address and contact number of any witnesses
- The name and contact number of any Police officer who attends the scene of the accident
- Any unusual behaviour from the other person and the direction they take when they leave the scene

“14 Days Cooling off Period”

If this insurance does not meet your needs, you may cancel it, without giving reason, by contacting RH within 14 days of the policy start date and declare your requirement to cancel.

We will make a charge equal to the period of cover you have had but this will be subject to a minimum amount of **£15** (plus insurance premium tax (IPT) where applicable), except where an incident has occurred which may give or has given rise to a total loss claim, in which case the full annual premium will be payable to us.

The 14-day period applies to new policies and the renewal of existing policies.

Outside “14 Days Cooling Off Period”

You may cancel this insurance by declaring to RH, your requirement to cancel.

This will be subject to a minimum amount of **£15** (plus insurance premium tax (IPT) where applicable) being charged for the period of cover you have had.

If any claim has been made in the current period of insurance, you must pay the full annual premium and you will not be entitled to any refund.

Section 1 – Liability to others

Driving your vehicle

We will provide insurance for any accident you have while you are driving, using or in charge of your vehicle or while you are loading or unloading it.

We will insure you for all amounts you may legally have to pay for causing death or injury to other people.

The most we will pay for property damage is **£20,000,000** for any claim or claims arising out of one incident.

We will pay up to **£5,000,000** for any costs and expenses arising out of a claim or claims arising from one incident.

If there is a property-damage claim made against more than one person covered by this insurance, we will first deal with any claim made against you.

Driving other cars

We will also provide the cover shown above (if this is shown on your certificate of motor insurance), to drive any private car that you do not own, providing the other car is not a hire, rental or courtesy car or provided to you under a hire-purchase or any other finance agreement - as long as you have the owner's permission to drive the private car.

You are not insured against:

- Any loss or damage to the vehicle you are driving
- Any event which happens outside of the United Kingdom
- Any legal responsibility if you no longer have possession of the insured vehicle
- Any event which happens when this insurance is not in the name of an individual person
- Any legal responsibility unless the vehicle is insured against third party road risks in its own right or
- Securing the release of a vehicle that has been seized by or on behalf of the police or any public or local authority

Other people driving or using your vehicle

In the same way you are insured, we will also cover the following people:

- Any person you allow to drive or use your vehicle, as long as this is allowed by your current certificate of motor insurance and has not been excluded by an endorsement, exception or condition
- Any passenger who has an accident while travelling in or getting into or out of the insured vehicle, as long as you ask us to cover the passenger

Legal personal representatives

After the death of anyone who is covered by this insurance, we will deal with any claim made against that person's estate, as long as the claim is covered by this insurance.

Business use

If your certificate of motor insurance allows business use, we will insure your employer or business partner against the events shown above under 'Driving your vehicle' while you are working for that employer or partner, but not while using a vehicle provided by the employer or partner unless that vehicle is shown on your schedule.

Legal costs

In respect of any event which is covered under this section, if we first agree in writing, we will arrange and pay:

- Solicitor's costs if anyone we insure is represented at a coroner's inquest, fatal accident inquiry or court of summary jurisdiction
- The costs for legal services to defend anyone we insure against any prosecution arising from any death and
- All other legal costs and expenses we agree to

The most we will pay for legal costs is **£35,000** for any claim or claims arising out of one incident.

Emergency medical treatment

Where we must provide cover under the Road Traffic Act, we will pay for emergency medical treatment that is needed after an accident involving any vehicle which this insurance covers.

This cover only applies in the United Kingdom and where we must provide it under the Road Traffic Acts.

Charging cable – Liability

We will cover your legal liability for death, bodily injury or damage to property arising out of the connection of the insured car to a domestic mains power supply, or a rapid charging unit for the purposes of charging the car. Only whilst it is connected by means of the manufacturer supplied domestic charging cable or the rapid charging unit's standard heavy-duty cable.

Towing

Under this section we will insure you while any vehicle covered by this insurance is towing a caravan, trailer or a broken-down vehicle (as allowed by law).

We will only provide this cover if:

- The caravan, trailer or broken-down vehicle is properly secured to your vehicle by towing equipment made for the purpose and
- The method of towing the caravan, trailer or broken-down vehicle stays within the manufacturer's recommended towing limits and any other relevant law

We will not pay any claim arising from:

- Loss of or damage to the towed caravan, trailer or broken-down vehicle
- Loss of or damage to any property being carried in or on the towed caravan, trailer or broken-down vehicle
- A caravan, trailer or broken-down vehicle being towed for reward
- Towing more trailers than the number allowed by law or
- If more than one caravan or broken-down vehicle is being towed at any one time

Cyber Liability Cover

We will pay any amounts you may legally have to pay subject to the limits stated under Section 1 for causing death or bodily injury to other people, or property damage, due to:

1. The use of, or failure of, any application, software or programme in connection with your vehicle (including any driver assistance, safety or security systems);
2. Any computer virus, ransomware, code or software affecting any electronic systems fitted to your vehicle by the original vehicle manufacturer;
3. Any threat, deception or hoax relating to 1 and/or 2 above;

subject to the terms, conditions, limitations and exclusions of this policy.

Exceptions to Section 1

This section of your insurance does not cover the following:

1. Anyone who can claim for the same loss from any other insurance
2. Loss of or damage to property belonging to (or in the care of) anyone we insure and who is making a claim under this part of the insurance
3. Death of or bodily injury to any person arising out of and in the course of their employment by the policyholder or by any other person claiming under this insurance. This does not apply if we need to provide cover due to the requirements of relevant laws
4. Any legal responsibility, unless we need to provide the minimum insurance required by the Road Traffic Act, for claims for death, injury, illness, loss or damage to property arising directly or indirectly from pollution or contamination unless caused by a sudden identifiable unintended and unexpected event.

This exception:

- Relates to contamination or pollution caused directly or indirectly by any substance, liquid, vapour or gas leaking or being released and
- Includes contamination or pollution of any building or other structure, water, land or the air

We will not pay for claims arising directly or indirectly from contamination or pollution if it is caused by any substance, liquid, vapour or gas being deliberately released or leaks caused by the failure to maintain or repair your vehicle, or any part of it.

5. Death, bodily injury or damage arising as a result of loading or unloading your vehicle somewhere other than on the road by anyone apart from the driver or attendant

Section 2 – Loss of or damage to your vehicle

This cover only applies to your vehicle

We will insure your vehicle against loss or damage (less any excess that applies) caused by:

- Accidental or malicious damage, flood damage or vandalism
- Fire, lightning, self-ignition and explosion or
- Theft or attempted theft, or taking your vehicle away without your permission

For a claim under this section, we will, at our absolute discretion, either:

- Pay for the damage to be repaired
- Pay an amount of cash to replace the lost or damaged item or
- Replace the lost or damaged item

The most we will pay will be either:

- The market value of your vehicle as determined by us, immediately before the loss; up to the value shown on your schedule or, if it applies, the agreed value shown on your schedule or
- The cost of repairing your vehicle

whichever is less.

We will not pay the cost of any repair or replacement which improves your vehicle or accessories to a better condition than they were in before the loss or damage. If this happens, you must make a contribution towards the cost of repair or replacement.

We will not pay the VAT element of any claim if you are registered for VAT.

Excesses

If an excess is shown on your schedule, you have agreed to pay that amount for each incident of loss or damage.

If more than one vehicle is insured on your policy and they are involved in the same incident, the excess shown on your schedule will apply to each vehicle separately.

Windscreen damage (comprehensive cover only)

You may claim for damage to your vehicle's windscreen or windows and for any bodywork scratched by broken glass from the window or windscreen. The helpline number is 0345 605 6327.

This benefit does not apply to damaged sun roofs, roof panels, lights or reflectors whether glass or plastic.

The following excesses apply to a windscreen claim but there is no limit on the cost of the windscreen:

Condition	Excess
If your windscreen is repaired by our approved supplier	£10
If your windscreen is replaced by our approved supplier	£75
If your windscreen is repaired or replaced by any other company	£125

Extra excesses for young or inexperienced drivers

If your vehicle is damaged while a young or inexperienced driver (including yourself) is driving, you will have to pay the first amount of any claim as shown below. This is on top of any other excess that you may have to pay.

Drivers	Amount
Under 21 years of age	£300
Aged 21 to 24 years	£200
Aged 25 years or over who has a provisional driving licence or has not held, for 12 months or more, a full driving licence issued by the UK or any country which is a member of the European Union.	£200

These amounts do not apply if the loss or damage is caused by fire or theft.

Recovery and redelivery

After any claim under this section, we will pay the cost of moving your vehicle from the place where the damage happened to the premises of the nearest competent repairer. We will also pay the cost of delivering your vehicle back to you in the United Kingdom after repair.

Do not try to move your vehicle yourself if this could increase the damage. If unnecessary damage is caused as a result of your attempts to move your vehicle, we will not pay any extra cost arising from that damage.

All arrangements for storage of a damaged vehicle must be agreed by us. If you arrange storage without our prior knowledge and consent, we will not pay any extra cost arising from that arrangement where this is greater than the cost we negotiate with our approved supplier.

Repairs

If your vehicle is damaged in any way which is covered by this insurance, you should contact us immediately. We can, if you wish, organise for our approved repairers to repair your vehicle.

Where using our approved repairer for the repair of your vehicle, and your vehicle does not exceed 3.5 tonne gross vehicle weight our approved repairer will:

- Guarantee the repairs for 5 years
- Endeavour to use original equipment manufacturer parts/equipment where feasible
- Supply you with a courtesy car (subject to availability) for the duration of the vehicle repair or until your policy expires, whichever is the sooner (where the vehicle involved is covered comprehensively)

If your vehicle cannot be driven safely, you should allow us the opportunity of moving it to the premises of an approved repairer or repairer of your choice if previously agreed by us.

If repairs are completed without our prior knowledge and consent this may affect the amount we pay in final settlement of your claim. In all circumstances, anyone conducting repairs to an insured vehicle should retain the following for our inspection:

- A fully costed estimate
- All damaged parts and
- Images of the damaged areas of the insured vehicle

If you fail to provide all requested information, documentation and evidence of claim damage, we reserve the right not to pay for damages under this section.

If you choose to not use our approved repairer, we will not:

- Be responsible for any delays incurred by the repairer
- Be responsible for the provision of a courtesy car
- Guarantee the repairs
- Guarantee the use of original equipment manufacturer paint/parts

We may arrange for your vehicle to go to a repairer of our choice if we cannot reach an agreement with your chosen repairer over costs.

It is not our policy to use recycled or non-original parts and equipment when repairing your vehicle, although on occasion it may be necessary.

Courtesy car (Comprehensive cover only)

If you make a claim under this section and you choose to use our approved repairers, you will be provided with a courtesy car (subject to availability) for the duration of the repairs or until your policy expires, whichever is sooner.

The vehicle provided is intended to keep you mobile and will not necessarily be a like-for-like replacement of your vehicle. You will be provided with either a small, standard private car or small car-derived van.

All courtesy cars are subject to the driver meeting the terms and conditions of hire from the approved repairer.

If your vehicle is a total loss, you will not be offered a courtesy car.

Total loss (write off)

If the cost of repairs to your vehicle is greater than the market value or agreed value of your vehicle (whichever applies) we will offer you an amount in settlement. The insurance for your vehicle will end when you accept that offer.

If requested, you must send us the insured vehicle's registration document (V5c), MOT certificate, purchase receipt, all keys and any other relevant documentation before we agree settlement.

When we pay for a total loss of an insured vehicle the salvage becomes our property unless your vehicle is over 20 years of age where you may keep the salvage subject to the salvage category applied:

- **Category A** - The vehicle would be so structurally damaged that it is not possible to repair it economically or safely. The vehicle must be crushed in its entirety. The salvage cannot be retained in this circumstance.
- **Category B** - The vehicle would be so structurally damaged that it is not possible to repair it economically or safely. The shell, frame and chassis must be crushed. Usable parts can be recycled by a salvage disposer. The salvage cannot be retained in this circumstance.
- **Category S** - The vehicle has sustained damage to any part of the structural frame or chassis therefore the insurer has decided not to repair the vehicle. The salvage can be retained in this circumstance.
- **Category N** - The vehicle has not sustained damage to the structural frame or chassis and the insurer has decided not to repair the vehicle. There may be some safety items that require replacement. The salvage can be retained in this circumstance.

It is recognised that some historic/ classic vehicles or vehicles of special interest may be repaired irrespective of extent of damage, providing it is safe to do so. In these cases, the vehicle will fall outside the ABI Code of Practice for the Categorisation of Motor Vehicle Salvage, and this will not apply. However careful consideration is taken when making this decision.

You will not receive a premium refund if your insurance ends due to a total loss claim. If you pay your premium under the instalment plan, the amount you owe for the year's premium will be taken from the claim payment. If the insured vehicle belongs to someone else, we will normally pay an amount for the total loss of the insured vehicle to the insured vehicle's legal owner.

If there is any outstanding loan on the insured vehicle, we may pay the finance company first. If our estimate of market value is more than the amount you owe them, we will pay you the balance. If our estimate of the market value is less than the amount you owe, you may have to pay them the balance.

If your vehicle is leased or on contract hire, we may pay the leasing or contract-hire company first. If our estimate of the market value is more than the amount you owe the leasing or contract-hire company, the amount we pay them will settle the claim. If our estimate of the market value is less than the amount you owe, you may have to pay them the balance.

When working out the value of the vehicle we may take into account any discount on the manufacturer's recommended retail price that you received when you purchased the vehicle.

New vehicle replacement

We will replace your car with a new one of the same make, model and specification (if one is available) if your car is less than one year old from the date of you buying it new and:

- The cost of repairing any damage (that is covered by this insurance) is more than 50% of the manufacturer's recommended retail price (including taxes) or
- It is lost by theft or is stolen and not recovered

If a car is not available, we will pay an amount equal to that which was paid when you bought your vehicle or the current manufacturer's Recommended Retail Price (including taxes), whichever is less. The lost or damaged car will then belong to us.

Audio, visual, communication, guidance or tracking equipment

The cover provided by this policy includes loss of, or damage to, permanently fitted audio, visual, communication, guidance or tracking equipment that formed part of your vehicle when it was originally made.

We will pay up to **£500** for any permanently fitted equipment that was not part of your vehicle when it was originally made.

When your vehicle is being serviced

The cover provided under this section will still apply when your vehicle is being serviced or repaired. While your vehicle is in the hands of the motor trade for a service or repair, we ignore any restrictions on driving or use (as shown on your certificate of motor insurance).

Electric vehicles - Leased batteries

In the event of loss of or damage to the insured vehicle under this section, we may be required to make a payment to the owner of your vehicle's battery, or batteries, if the battery is leased or hired.

Electric vehicles - Charging cable

We will insure your vehicle charging cable against loss or damage caused by:

- Accidental or malicious damage, flood damage or vandalism
- Fire, lightning, self-ignition and explosion; or theft or attempted theft

Dismantled / spare parts

In the event that a valid claim is submitted for the loss or damage of dismantled / spare parts kept in a locked building at the address shown on your statement of facts, (or another address previously agreed by us); we will pay up to the market value or agreed value of your vehicle as indicated on your schedule.

Cherished number plate

If, as a result of a valid total loss/theft claim under this policy, you are totally and irrevocably deprived of the use of the cherished registration number attached to the insured vehicle, we will pay (up to a maximum of **£10,000**) the amount equal to the value determined by a member of the Cherished Numbers Dealers Association.

We will not be liable for losses occasioned by or happening through any of the following scenarios:

- Your permanent disqualification from driving
- Confiscation, seizure or detention by Customs or other officials or authorities
- If you or any company you are associated with is in liquidation or bankrupt

Should the number be re-issued by the DVLA, the entitlement to use the number will transfer to us.

Exceptions to Section 2

This section of your insurance does not cover the following:

1. The amount of any excess shown on your schedule
2. Any amount as compensation for you not being able to use your vehicle (including the cost of hiring another vehicle)
3. Wear, tear and depreciation
4. Failures, breakdowns or breakages of mechanical, electrical, electronic or computer equipment
5. Your vehicle's value reducing, including loss of value as a result of damage, whether the damage is repaired or not
6. Repairs or replacements which improve the condition of your vehicle

General terms

Extra matters to bear in mind

These general terms apply to the whole insurance

No Claim Bonus

Where the insurance uses a No Claims Bonus (NCB) scale for the purposes of rate setting, this will be indicated under the “vehicle details” section of your schedule.

For each claim during a single period of insurance, the No Claims Bonus available at renewal will be reduced in accordance with our current step-back procedure scale as shown under the ‘Protected no claim bonus (PNCB)’ section overleaf.

If more than one vehicle is covered by this insurance, we will assess the no claim bonus as if each vehicle was insured separately.

Providing there have been no prejudicial claim(s) in the current period of insurance; we will give you a further years no claim discount, as long as the insurance has been in force for 12 consecutive months.

You cannot transfer your no claim bonus to another person.

If this insurance does not use a NCB Claims Bonus scale for the purposes of rate setting, the NCB noted under the ‘Vehicle details’ section of the Schedule will state “N/A” and a NCB cannot be earned under this insurance.

Number of Years NCB	Average NCB Discount in year	Average PNCB Cost

1	7%	N/A
2	14%	N/A

Protected no claim bonus (PNCB)

PNCB is only available subject to the appropriate premium being paid and you having earned 4 or more years no claims bonus. If your policy includes PNCB, this will be shown on your schedule.

No claims bonus protection does not protect the overall price of your insurance policy. The price of your insurance policy may increase following an accident even if you were not at fault.

No claims bonus protection allows you to make one or more claims before your number of no claims bonus years falls. Please see the step- back procedure (below) for details.

If your NCB at renewal is 3 years or less, you will not be able to protect your NCB for the forthcoming period of insurance.

Changing or adding a vehicle to this insurance

If you change the vehicle covered by this insurance or need cover for an extra vehicle (including a temporary vehicle), please contact RH to discuss your requirements. If cover is agreed, RH will let you know about any change in premium and arrange for a new set of policy documents to be issued.

Emergency medical treatment

Any payments we make for emergency medical treatment will not affect your no claim bonus.

Payments for journeys (car sharing – private cars only)

You can accept payments from passengers in your vehicle if you are giving them a lift for social or other similar purposes. Accepting these payments will not affect your insurance cover if:

- Your vehicle cannot carry more than nine people (including the driver)
- You are not carrying the passengers in the course of a business of carrying passengers and
- The total of the payments you receive for the journey does not provide a profit

Limited mileage condition

The cover for your vehicle is based on the annual mileage shown on your statement of facts and your schedule of endorsements. You must tell us if the annual mileage will be more than this figure because it may affect the cover provided.

Agreed value

An agreed value is subject to a recognised independent or expert club valuation and two recent colour photographs of your vehicle. Your vehicle will be insured on its market value until we have accepted an agreed valuation.

Where an agreed value applies, a claim settlement offer will be based on the last valuation agreed by us, not the value of your vehicle at the time of the claim.

General exceptions

These general exceptions apply to the whole insurance

Your insurance does not cover you for:

Drivers and use

Any legal responsibility, loss or damage (direct or indirect) arising while any vehicle covered by this insurance is being:

- Driven by or is in the charge of anyone (including you) who is not mentioned on the certificate of motor insurance as a person entitled to drive or who is excluded by an endorsement
- Driven by or is in the charge of anyone (including you) who is disqualified from driving, does not hold a valid driving licence in line with current law or has never held a licence to drive your vehicle, does not keep to the conditions of their driving licence or is prevented by law from having a licence (unless they do not need a licence by law)
- Used on any race track, race circuit or toll road without a speed limit (such as the Nürburgring)
- Used for racing or pace-making, used in any contest (apart from treasure hunts, road safety and non-competitive rallies) or speed trial or is involved in any rigorous reliability testing

Drugs and alcohol

Any legal responsibility, loss or damage (direct or indirect) arising while any vehicle covered by this insurance is being driven by or is in the charge of anyone (including you) and is convicted of:

- Driving over the legal limit for alcohol or
- Driving under the influence of drugs, prescribed or otherwise

If convicted (which includes a conviction for failure to provide a breath, blood or urine sample) this shall be deemed to be conclusive evidence that the driver at the time of the loss or damage was under the influence of alcohol or drugs.

We will provide the minimum insurance required by the Road Traffic Act but we reserve the right to seek recovery of any such amounts from you or the driver of your vehicle.

Construction and use

Any legal responsibility, loss or damage (direct or indirect) arising while any vehicle covered by this insurance is being used to carry:

- More passengers than the maximum seating capacity for the insured vehicle as set by the vehicle manufacturer or
- Passengers in a manner likely to affect the safe driving and control of your vehicle or
- Any load which is greater than the maximum carrying capacity as set by the vehicle manufacturer or if applicable, any plated weight limit of the insured vehicle

Airfields

Any legal responsibility, loss or damage (direct or indirect) arising while any vehicle covered by this insurance is being used in or on a restricted area (areas to which the public do not have free vehicular access) of an airport, airfield or aerodrome. We will not pay for any claim concerning an aircraft within the boundary of the airport, airfield or aerodrome except where we need to provide the minimum insurance required by the Road Traffic Act.

Criminal acts

Any legal responsibility for loss or damage (direct or indirect) caused whilst your vehicle is used by anyone insured under this insurance:

- In the course or furtherance of a crime or
- As a means of escape from, or avoidance of lawful apprehension

Deliberate acts

Excess

The amount of any excess shown within this policy document and / or on your schedule.

Other contracts

Any legal responsibility, loss or damage (direct or indirect) that:

- Is also covered by any other insurance or
- You have accepted under an agreement or contract unless you would have had that responsibility anyway
- Happens outside the United Kingdom, other than where we have agreed to provide cover (please refer to the Foreign Use section of this policy document)

Jurisdiction

Any proceedings brought against you, or judgment passed in any court outside the United Kingdom, unless the proceedings or judgment arises out of your vehicle being used in a foreign country which we have agreed to extend this insurance to cover.

Earthquake, riot, war and terrorism

Any legal responsibility, loss or damage (direct or indirect) caused by, contributed to or arising from:

- An earthquake
- The result of war, riot, civil commotion, revolution or any similar event elsewhere than in Great Britain, the Channel Islands or the Isle of Man (unless we need to provide cover to meet the minimum insurance needed by law)

Sonic bangs

Any legal responsibility, loss or damage (direct or indirect) caused by, contributed to or arising from pressure waves caused by aircraft or other flying objects.

Sanctions

We shall not provide cover nor be liable to pay any claim or provide any benefit under this policy to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America or any other applicable territory.

General conditions

What we expect for your cover to be valid

Your responsibilities

Your premium is based on the information you gave at the start of the insurance and when it is renewed.

You are responsible for the information you or your appointed representative has provided to us. You should ensure that the information provided is, as far as you know, correct and complete.

If you have failed to give us complete and accurate information, this could lead to us changing the terms of your policy, refusing your claim or the insurance not being valid.

You must, if requested, provide us with all relevant information and documentation in relation to this insurance.

The vehicle must have an MOT (unless exempt), be taxed (unless exempt), insured and registered in the UK and you must:

- Take all reasonable steps to protect your vehicle from loss or damage
- Maintain your vehicle in a roadworthy condition and
- Let us examine your vehicle at any reasonable time

If the above requirements are not met, we may reject or reduce your claim, and/or cancel your policy or declare your policy null and void.

Changes to your details

You must tell us immediately about any changes to the information you have already provided. Please contact RH if you are not sure if information is relevant. If you don't tell us about relevant changes, your insurance may not cover you fully, or at all.

Here are some examples of the changes you should tell us about:

- A change of vehicle (including extra vehicles and any temporary vehicles)
- All changes you or anyone else make to your vehicle if these make your vehicle different from the manufacturer's standard specification (whether the changes are mechanical or cosmetic)
- A change of address
- A change of job, including any part-time work by your named drivers, a change in the type of business or having no work
- A new main user of your vehicle
- Details of any driver that you want to drive who:
 - you have not told us about before
 - is not specifically entitled to drive by the certificate of motor insurance, or
 - is excluded by an endorsement
- Details of any motoring conviction(s), disqualification(s) or fixed-penalty motoring offence(s) of any person allowed to drive or of any prosecution(s) pending (where a case is being investigated but there is no conviction yet) for any motor offence
- Details of any non-motoring conviction or prosecution pending (where a case is being investigated but there is no conviction yet) for any person allowed to drive

- Details of any accident or loss (whether or not you make a claim) involving your vehicle or that happens while you (or anyone who is entitled to drive under this insurance) were driving any other motor vehicle (whether you own the vehicle or not)
- If any driver suffers from a disability or medical condition that must be revealed to the DVLA, whether or not the driving licence has been restricted

Claim notification

After any loss, damage or accident you must give us full details of the incident as soon as possible.

You must send every communication about a claim (including any writ or summons) to us without delay and unanswered. You must also tell us if you know about any future prosecution, coroner's inquest or fatal accident inquiry involving anyone covered by this insurance.

You must give us any information, documentation and help we need to help us deal with your claim. We will only ask for this if it is relevant to your claim.

You must notify us of a claim at the earliest opportunity of it occurring. If you fail to comply with this section, or otherwise prejudice our position, we reserve the right to seek recovery of any additional costs incurred due to your action or failure to act

Claim requirements – rights and obligations

If a claim is made which you or anyone acting on your behalf knows is false, fraudulent, exaggerated, or provides false or stolen documents to support a claim we will not pay the claim and cover under this insurance will end.

If there are a number of claims for property damage arising out of any one cause, we may pay you up to the maximum amount due under Section 1 (less any amounts we have already paid as compensation.). Once we have paid this, we will withdraw from any further action connected with settling these claims. We will cover any legal costs and expenses paid with our permission, up to the time we withdraw from dealing with the claims.

You must not admit to, negotiate on or refuse any claim unless you have our permission.

We can:

- Take-over, carry out, defend or settle any claim and
- Take proceedings (which we will pay for, and for our own benefit) to recover any payment we have made under this insurance

We will take this action in your name or in the name of anyone else covered by this insurance.

You, or the person whose name we use, must co-operate with us on any matter which affects this insurance.

If we refuse to provide cover because you have failed to provide information or provided incorrect information, but we have a legal responsibility to pay a claim under the Road Traffic Acts, we can settle the claim or judgment without affecting our position under this policy. We can recover any payments that we make from you.

If you fail to provide all requested information, documentation and evidence of claim damage, we reserve the right not to pay for damages under Section 2 of this policy document.

Compulsory Insurance laws

If we are required to settle a claim in order to comply with the law applying to any country in which this policy operates, and which we would not otherwise be required to pay because of a breach of policy conditions, we shall be entitled to recover the amount paid and any associated costs, from either yourself or the person who incurred the liability.

Arbitration

If we accept your claim, but disagree with the claim amount, the matter will be passed to an independent arbitrator (to whom we must both agree). When this happens, the arbitrator must make a decision before you can start proceedings against us.

Misrepresentation

Where we identify: misrepresentation, non-disclosure, fraud, or any attempt to gain an advantage under this insurance to which you are not entitled, we will apply, at our absolute discretion, one or more of the remedies listed below:

- Agree with you to: amend your policy to record the correct information, apply any required change in premium, policy terms and conditions
- Apply any administration costs
- Reject or pay only a proportion of your claim
- Not return to you any premium paid
- Cancel the policy
- Void the policy (which means to treat the policy as though it never existed)

Important notices and information

Data Protection Notice

This section contains important information about your personal details. Please make sure to show it to anyone covered by the policy and ensure they are aware that their personal details may be provided to us.

IQUW Syndicate Management Limited is the data controller in respect of your personal information. We will process the details you have given us in line with the UK's Data Protection laws and any other laws that apply. We may work with partner organisations and service providers who are located in other countries, and as a result your information may be processed outside the United Kingdom and the European Economic Area. In all cases we will make sure that your information is adequately protected. Whenever we transfer your personal information out of the United Kingdom we will ensure a similar degree of protection is afforded to it by making sure that adequate safeguards are implemented, including transferring the data to a country that has been deemed to provide an adequate level of protection for personal data, or ensuring the transfer is subject to the standard contractual clauses approved by the European Commission or other contracts or mechanisms which provide equivalent protection.

You can find more information about how we use your personal information on our website:

www.ers.com/policy-pages/privacy-policy

We might collect personal information about you from:

- Credit reference agencies
- Anti-fraud databases, sanction lists, court judgement and similar databases

How we use and disclose your personal information

To assess the terms of your insurance contract, or to deal with any claims, we may need to share information like your name, address, date of birth and details such as medical conditions or criminal convictions. The recipients of this information could include (but are not limited to) credit reference agencies, anti-fraud databases, other insurers, underwriters and other group companies who provide administration or support services. For claims handling, the recipients could include (but are not limited to) external claims handlers, loss adjusters, courts, legal and other expert advisers, and third parties who are involved in the claim. More information about these disclosures is set out below.

We purchase reinsurance to protect against the most significant claims made against motor insurance policies issued. Should such a claim arise under your insurance contract, we may disclose to our reinsurance broker and reinsurers, the details of the claim, including all personal and special category data related to the claim. That disclosure is necessary for the management of any reinsurance claim made by us and this practice of spreading risk is standard practice in the insurance market.

The Data Protection laws classify information about your medical conditions, disabilities and criminal convictions as 'special category' personal data which warrants extra protection. We will only share this kind of personal data where it is essential to administer your insurance contract or deal with any claims, or for anti-fraud purposes and will only be used in accordance with appropriate laws and regulations.

Most of the personal information you provide to us is needed for us to assess your request for insurance, to enter into the insurance contract with you and then to administer that contract. Some of the information is collected for fraud prevention purposes, as described below. If we need your consent to use any specific information, we will make that clear at the time we collect the information from you. You are free to withhold your consent or withdraw it at any time, but if you do so it may impact upon our ability to provide insurance or pay claims. Further details about the legal basis for our processing of personal information, and the disclosure we may make, can be found on our website: www.ers.com/policy-pages/privacy-policy

Accepting and administering your policy

If you pay your premiums via a credit facility, we may share your information with credit reference agencies and other companies for use in credit decisions, to prevent fraud and to find people who owe money. We share information with other insurers, certain government organisations and other authorised organisations.

Insurance underwriting

We look at the possible risk in relation to your prospective policy (or anyone else involved in the policy) so that we can:

- Consider whether to accept a risk
- Make decisions about providing and dealing with insurance and other related services for you and members of your household
- Set price levels for your policy
- Confirm your identity to prevent money laundering
- Check the claims history for you or any person or property likely to be involved in the policy or a claim at any time. We may do this:
 - When you apply for insurance
 - If there is an accident or a claim or
 - At the time you renew your policy

Profiling

When calculating insurance premiums, we may compare your personal details against industry averages in accordance with applicable laws and regulations. Your personal information may also be used to create the industry averages going forwards. This is known as profiling and is used to ensure premiums reflect risk. Profiling may also be used to assess the information you provide so we can understand risk patterns.

Special categories of personal data may be used for profiling where this is relevant, such as medical history or past motoring convictions (including motoring offences).

We may also make some decisions (for example about whether to offer cover or what the premiums will be) without any intervention by our staff. These are known as automated decisions. You can find out more about how we make these decisions on our website: www.ers.com/policy-pages/privacy-policy. See also “Your Rights” below.

Motor Insurance Database (MID)

Information about your insurance policy will be added to the Motor Insurance Database (MID) which is managed by the Motor Insurers’ Bureau (MIB). Certain government or authorised organisations including the Police, DVLA, DVLNI, Insurance Fraud Bureau and other organisations allowed by law may use the MID and the information stored on it for purposes including:

- Continuous Insurance Enforcement (you can get information about this from the Department of Transport)
- Electronic vehicle licensing
- Law enforcement for the purposes of preventing, detecting, catching or prosecuting offenders and
- Providing government services or other services aimed at reducing the level of uninsured driving

If you are involved in a road-traffic accident (either in the UK, the EEA or certain other territories), insurers or the MIB (or both) may search the MID to gather relevant information. Anyone making a claim for a road-traffic accident (including their appointed representatives and citizens of other countries) may also gather relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is not shown correctly on the MID, you are at risk of having your vehicle seized by the police. You can check that your correct registration number details are shown on the MID at askmid.com.

Managing claims

If you make a claim, we may need to release information to another person or organisation involved in that claim. This includes, but is not restricted to, your broker, your legal representative, others involved in the incident, their insurer, their solicitor or representative and medical teams, authorised repairers, the police or other investigators. We also may have to investigate your claim and conviction history. This may involve external claims handlers, loss adjusters, legal and other expert advisers.

Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may or may not result in a claim. When you tell us about an incident, we will pass information relating to it to Insurance Database Services Limited (IDSL).

Call recording

You should note that some telephone calls may be recorded or monitored, for example calls to or from our claims department, customer services team or underwriting department. Call recording and monitoring may be carried out for the following purposes:

- Training and quality control
- As evidence of conversations
- For the prevention or detection of crime (e.g., fraudulent claims)

Preventing or detecting fraud

We will check your information against a range of registers and databases for completeness and accuracy. We may also conduct searches of publicly available sources of information including social media to verify claims and detect and prosecute fraud. We may share your information with law enforcement agencies, legal advisers, investigators, other organisations and public bodies.

If we find that false or inaccurate information has been given to us, or we suspect fraud, we will take appropriate action. If fraud is identified, details will be passed to fraud prevention agencies including the Claims Underwriting Exchange Register and the Motor Insurance Anti-Fraud and Theft Register run by Insurance Database Services Limited (IDSL). Law enforcement agencies may access and use this information.

We and other organisations, including those from other countries, may also access and use this information to prevent fraud and money laundering, for example, when:

- Checking details on applications for credit and credit related or other facilities
- Managing credit and credit related accounts or facilities
- Recovering debt
- Checking details on proposals and claims for all types of insurance
- Checking details of job applicants and employees

Details of the registers, databases and fraud prevention agencies we use may be requested from the Company Secretary at: ERS Insurance Group Limited, 30 Fenchurch Street, London EC3M 3BD

Cheat line

To protect our policyholders, we are members of the Insurance Fraud Bureau (IFB). If you suspect insurance fraud is being committed, you can call them on their confidential cheat line on 0800 422 0421.

Retention

We will keep your personal data only for as long as is necessary for the purpose for which it was collected. In particular, we will retain your information for as long as there is any possibility that either you or we may wish to bring a legal claim under or relating to your insurance, or where we are required to keep your information for legal or regulatory purposes.

Your rights

You have rights under the Data Protection laws including the right to access the information we hold about you (subject to any legal restrictions that may apply), to have the information corrected if it is inaccurate, and to have it updated if it is incomplete. In certain circumstances you may have the right to restrict or object to processing, to receive an electronic copy of your data ("data portability") or to have your data deleted. You can also find out about any automated decisions we make that affect your insurance or premiums.
