Section III: No Claims Bonus

If **you** do not make a claim under this policy during a 12-month **period of insurance** **your** no claims bonus may be updated and will be displayed on **your statement of fact, your schedule** and on **your** renewal invitation. Section VI: Riding your motorcycle abroad

Minimum insurance cover

If **you** are travelling in any EU country or any country that has satisfied the requirements of the Commission of the European Community, **we** will apply the minimum insurance cover applicable to the country **you** are travelling in or through.

All countries as displayed on **your certificate of motor insurance** have agreed that a **green card** is not necessary for cross border travel. **Your certificate of motor insurance** should therefore provide sufficient evidence that **you** are complying with the laws on the compulsory insurance of motorcycles in any of these countries that **you** visit.

We will cover **you** for 30 days per trip up to a maximum of 90 days in any one **period of insurance**. The cover **we** will provide will match the cover on **your schedule**. There is no cover for any country that is not displayed on **your certificate of motor insurance**.

In addition to the minimum cover, **your** policy includes:

- Reimbursement of any customs duty **you** may have to pay after temporarily importing **your motorcycle** into any country displayed on **your certificate of motor insurance** subject to **your** liability arising as a direct result of a claim covered under this policy.
- Salvage charges and sue and labour charges whilst **your motorcycle** is being transported by sea between any countries displayed on **your certificate of motor insurance** provided that **your motorcycle** is covered for loss or damage under this policy.

Extending your cover in non-EU countries

We may be able to extend cover to match the cover on **your schedule** within non-EU Countries on request. A **green card** will be required for this and there may be an additional premium payable.

 - earthquake; or
 - riot or civil commotion occurring elsewhere than in Great Britain, Northern Ireland, the Isle of Man and the Channel Islands.

- the take-off or landing of aircraft and for the movement of aircraft on the surface; or
 - aircraft parking aprons including the associated service roads, refuelling and ground equipment parking areas and parts of passenger terminals of international airports which come within the customs examination area.
